## Advisory Notes for Tenderers for SNTC Contracts

As part of the current procurement reform process, new documents have been developed for regular use for SNTC procurement. These new Invitation to Tender documents are radically different from earlier ones and have been completely re-designed to be in line with the Public Procurement Act of 2011 including the Public Procurement Procedures issued in terms of SPPRA Circular No.1 of 2016. Tenderers should study the documents carefully before preparing their offers to ensure compliance with the key requirements. The following are a number of pointers that Tenderers should take into account when preparing their Tenders.

### 1) The Price Schedule and Tender Form

The Price Schedule **must** be completed and **must** be inclusive of all taxes. The total figure of the Price Schedule must be taken to the Tender Form. The Tender form is the offer that the supplier is making and **must be signed and completed**. **If it is not completed and signed, your tender will be rejected at the preliminary stage of evaluation.**

### 2) Documents Required

**You must provide** the documents stated in the Instructions to Tenderers and the Tender Data Sheet. **Failure to provide any of the documents specified may result in rejection of your tender.**

### 3) Partial offers

**If the tender document calls for complete offers you must price all items. In such cases Partial offers will not be acceptable and will result in rejection of the offer. You should carefully note any instructions in the specifications and the Schedule of Requirements.**

### 4) Copies of your Tender

If the Tender specifies original and copies, this means originals of all the documents comprising your Tender and copies of the same. The envelopes should be clearly marked accordingly.

### 5) Tender Security

A tender Security is always required and this may be provided in the form of a Bank Guarantee, an Insurance Company Bond or a Banker's Guaranteed Cheque. An original security must accompany each tender presented. **Photocopies, company or personal cheques are not acceptable. Failure to provide this document in the form required will result in rejection of your offer.**

### 6) Performance Guarantee

If it states in the Special Conditions of Contract that a Performance Guarantee is required this means that **only the successful tenderer will at the time of signing a contract be expected to provide a Performance Guarantee** to ensure that the Supplier carries out his obligations under the contract. The Performance Guarantee may be in the form of a Bank Guarantee or an insurance Bond.

### 7) The Contract Form

The Contract Form contained in the Tender document is an example for information and will only be signed by the successful Tenderer following a notice in terms of Section 45 of the Public Procurement Act of 2011 and an award of contract.

This advisory is given as assistance only and Tenderers must examine all forms, instructions, terms and specifications when preparing their offers.

## INSTRUCTIONS TO TENDERERS

Tenderers should read these Instructions in conjunction with the attached Tender Data Sheet.

### 1. ELIGIBILITY AND QUALIFICATION OF TENDERERS

Tenderers must be eligible to tender and be qualified and capable to perform the resulting contract prior to being awarded a contract.

The Tender Data Sheet shall specify the eligibility and qualification criteria.

### 2. TENDERER'S RESPONSIBILITIES

The Tenderer is expected to examine all instructions, forms, terms, and specifications in the Invitation to Tender documents. Failure to furnish all information required by the Invitation to Tender documents or to submit a Tender not substantially responsive to the Invitation to Tender documents will be at the Tenderer's risk and may result in the rejection of its Tender.

The Tenderer shall bear all costs associated with the preparation and submission of its Tender, and the Procuring Entity will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the Tendering process.

### 3. CORRUPT COLLUSIVE, FRAUDULENT AND COERCIVE PRACTICES

Tenderers should be aware that the Swaziland National Trust Commission has embarked on a 'procurement reform program' with the objective of achieving greater transparency, accountability and value for money in the use of public funds.

Tenderers participating in public procurement at all times are to abide by their obligations and are not to commit or abet corrupt, fraudulent, collusive or coercive practices.

Tenderers should be aware that a tenderer who engages in corrupt, collusive, fraudulent or coercive practices will have their proposals rejected and may further be

subject to prosecution under the laws of Swaziland.

The Government of Swaziland has recently put in place an Anti Corruption Commission to investigate specific instances of alleged corrupt, collusive, fraudulent or coercive procurement practices.

"Corrupt practice" means the offering, giving, receiving or soliciting, directly or indirectly, of any thing of value to influence the action of a public officer in the procurement process or in contract execution;

"Collusive" practice means a scheme or arrangement between two or more tenderers, with or without the knowledge of the procuring entity, designed to establish tender prices at artificial, non-competitive levels;

"Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;

"Coercive practice" means harming or threatening to harm, directly or indirectly, persons, or their property, to influence their participation in a procurement process or affect the execution of a contract.

### 4. CONFLICT OF INTEREST

Suppliers and Contractors are required to provide professional, objective, and impartial advice and at all times hold the Client's interests paramount, strictly avoid conflicts with other assignments or their own corporate interests and act without any consideration for future work.

Without limitation on the generality of the foregoing, Suppliers and Contractors, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:

## INVITATION TO TENDER: REFERENCE:

A firm hired to provide consulting services for the preparation or implementation of a project, and any of its affiliates, shall be disqualified from subsequently providing goods or works or non-consulting services other than consulting services resulting from or directly related to the firm's consulting services for such preparation or implementation. For the purpose of this paragraph, non-consulting services other than consulting services are defined as those leading to a measurable physical output, for example surveys, exploratory drilling, aerial photography, and satellite imagery.

Suppliers and Contractors (including its Personnel and Sub-Consultants) that has a business or family (parents, spouse(s) and children including adopted children) relationship with a member of the Client's staff who is directly or indirectly involved in any part of: (i) the preparation of the Terms of Reference of the assignment, (ii) the selection process for such assignment, or (iii) supervision of the Contract, shall not be awarded a Contract.

Suppliers and contractors have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interests of their client, or that may reasonably be perceived as having this effect. Failure to disclose the said situations may lead to the disqualification of the supplier and contractor or the termination of its contract.

### 5. TENDER PREPARATION

Tenderers shall indicate pricing and pricing breakdown as required. In the event of an error in the extension of prices, the unit prices shall prevail.

Prices shall be fixed for the duration of the contract and not subject to variation unless otherwise stated in the Tender Data Sheet.

SNTC tenders for a period of 12 months or less are considered to be 'fixed and firm prices'. Only in exceptional circumstances will the organization consider granting an

increase to unit prices within 12 months of contract award.

Prices must be denominated in Emalangeneni including any breakdown costs in the form contained in this Invitation to tender document.

The Tender Data Sheet shall permit pricing in a currency other than Emalangeneni.

Prices must include all costs for the requirement including any incidental services and shall be inclusive of all applicable taxes.

The Swaziland National Trust Commission may undertake 'price verification' to confirm market prices and rates.

### 11. TENDERER'S REQUEST FOR CLARIFICATION

A Tenderer requiring any clarification of the Invitation to Tender documents may notify the Procuring Entity in writing or through electronic mail. The Procuring Entity will respond in writing to any request for clarification of the Invitation to Tender documents. No Tender may be modified after the deadline for submission of Tenders.

No Tender may be withdrawn in the interval between the deadline for submission of Tenders and the expiration of its validity.

### 15. TENDER OPENING

The date, time and place for the opening of Tenders and proposals shall be as specified in the Tender Data Sheet. All Tenderers have the right to attend at their own expense.

The name of each Tenderer and the total amount of its Tender will be read aloud and the Tender Form and price schedules shall be signed by the Tender Opening Committee.

Minutes of the Tender Opening will be kept and copies provided to any interested party upon request.

### 16. PRELIMINARY EXAMINATION

Prior to the detailed evaluation, the Procuring Entity will determine the substantial responsiveness of each Tender. For purposes of this clause, a substantially responsive Tender is one, which conforms to all the terms and conditions of the Invitation to Tender document without material deviations.

The Procuring Entity's determination of a Tender's responsiveness is based on the contents of the Tender itself without recourse to extrinsic evidence.

If a Tender is not substantially responsive, it will be rejected by the Procuring Entity and may not subsequently be made responsive by the Tenderer by correction of the nonconformity.

The Procuring Entity will examine the Tenders to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the Tenders are generally in order.

The Procuring Entity shall reject any Tender when:

- The Tenderer has failed to demonstrate an ability to perform according to the requirements indicated in the Invitation to Tender documents;
- The Tenderer refuses to accept the correction of an arithmetical error;
- The Tenderer is not substantially responsive to the requirements of the Invitation to Tender documents or the technical specifications;
- The Tenderer has failed to comply with a request for clarification of Tenders.
- A Tender Security has been requested and this does not accompany the Tender.

### 17. DETAILED EVALUATION

Only Tenders that are found to be substantially responsive will be subjected to detailed examination.

The Procuring Entity shall appoint a committee of evaluators to examine and evaluate all Tenders.

In the evaluation of Tenders, the following criteria will be taken into account.

- Responsiveness to the required specifications.
- Price and quality of goods or equipment.

## INVITATION TO TENDER: REFERENCE:

- Any other Criteria specified in the Tender Data Sheet.

During evaluation of the Tenders, the Procuring Entity may, at its discretion, ask the Tenderer for a clarification of its Tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the Tender shall be sought, offered, or permitted. Tenderers who do not respond to requests for clarification will have their tenders rejected.

Any effort by a Tenderer to influence the Procuring Entity in its decisions on Tender evaluation, Tender comparison, or contract award may result in the rejection of the Tenderer's Tender.

### 18. LOCAL PREFERENCE

Swazi companies will be given a preference in the evaluation of tenders by adding a 15% (fifteen percent) margin to the evaluated price of other tenderers who are not eligible for the preference during the financial evaluation of tenders. For purposes of this Clause, a Swazi company is one which is registered in Swaziland and majority owned by Swaziland citizens.

### 19. AWARD OF CONTRACT

Prior to recommending an award of contract, the Procuring Entity may decide to post qualify the lowest evaluated substantially responsive tenderer to verify the tenderer's documentation and facilities. A contract will not be awarded to any tenderer who fails to be post qualified.

The Procuring Entity will award the contract to the Tenderer having submitted the lowest evaluated, substantially responsive Tender who is recognized to have the capability to undertake and complete a contract.

Prior to the expiration of the Tender's validity, the Procuring Entity will notify the successful Tenderer in writing that its Tender has been accepted subject to Section 45 of the Public Procurement Act of 2011. The successful Tenderer will be

expected to sign a contract and if required in the Tender Data sheet provide a Performance Guarantee within 14 (fourteen) working days of the notification of award. The Performance Guarantee will be valid for the period of the contract including any warranty obligations. Where a Tender Security has been provided, this will be returned to the successful Tenderer on furnishing of a Performance Guarantee. All unsuccessful tenderers' securities will be returned at the same time.

### 20. REJECTION OF TENDERS

The Procuring Entity reserves the right to accept or reject any tender, and to annul the tendering process at any time prior to the award of a contract, without thereby incurring any liability to the affected Tenderer(s) or any obligation to provide information on the grounds for its action.

### 21. CHANGES OR REDUCTIONS AT AWARD

The Procuring Entity reserves the right at the time of contract award to increase or decrease, by up to 15% (fifteen percent), the quantity of goods originally specified in the Schedule of Requirements without any change in unit price or other terms and conditions.

### 22. CONTRACT FORMATION

Your response to the Invitation to Tender document is an offer to the SNTC.

A Tender becomes a binding contract only when officially accepted in writing by the SNTC. Payment for any procurement under this tender is dependent upon a Contract duly signed by both parties.

### 23. CONTRACT PERFORMANCE

Contract performance of awarded tenders will be measured against:

- Delivery against agreed Specifications;
- Delivery of tendered items against agreed delivery schedule; and

## INVITATION TO TENDER: REFERENCE:

Any claims by the Supplier for adjustments under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of the Procuring Entity's change order.

### 20. SUBCONTRACTS

20.1 The Supplier may not enter into any subcontract for performance hereunder unless the Procuring Entity shall have previously consented in writing to such subcontracting. Such consent shall not, however, unless otherwise specified in such consent or in the Contract, relieve the Supplier from any liability or obligation under the Contract.

### 21. DELAYS IN THE SUPPLIER'S PERFORMANCE

21.1 Delivery of the Goods and performance of Services shall be made by the Supplier in accordance with the time schedule prescribed by the Procuring Entity in the Schedule of Requirements.

21.2 If at any time during performance of the Contract, the Supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Procuring Entity in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Procuring Entity shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of the Contract.

21.3 Except as provided under GCC Clause 24, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of liquidated damages.

### 22. LIQUIDATED DAMAGES

22.1 Subject to GCC Clause 24, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Procuring Entity shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the Special Conditions of Contract of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in the Special Conditions of Contract. Once the maximum is reached, the Procuring Entity may consider termination of the Contract pursuant to GCC Clause 23.

### 23. TERMINATION FOR DEFAULT

23.1 The Procuring Entity, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate this Contract in whole or in part:

- (a) if the Supplier fails to deliver any or all of the Goods within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring Entity pursuant to GCC Clause 21; or
- (b) if the Supplier fails to perform any other obligation(s) under the Contract.

23.2 In the event the Procuring Entity terminates the Contract in whole or in part, pursuant to GCC Clause 23.1, the Procuring Entity may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Procuring Entity for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

### **24. FORCE MAJEURE**

24.1 Notwithstanding the provisions of GCC Clauses 21, 22, and 23, the Supplier shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

24.2 For purposes of this clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Procuring Entity in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

24.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring Entity in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring Entity in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

### **25. TERMINATION FOR INSOLVENCY**

25.1 The Procuring Entity may at any time terminate the Contract by giving written notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Procuring Entity.

### **26. TERMINATION FOR CONVENIENCE**

26.1 The Procuring Entity, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Procuring Entity's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

26.2 The Goods that are complete and ready for shipment within thirty (30) days after the Supplier's receipt of notice of termination shall be accepted by the Procuring Entity at the Contract terms and prices. For the remaining Goods, the Procuring Entity may elect:

- (a) to have any portion completed and delivered at the Contract terms and prices; and/or
- (b) to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Services and for materials and parts previously procured by the Supplier.

### **27. RESOLUTION OF DISPUTES**

## INVITATION TO TENDER: REFERENCE:

27.6 The arbitrators shall determine the matters in dispute in accordance with the laws in effect in Swaziland.

27.7 All notices to be given in connection with the arbitration shall be in writing and shall be effective upon receipt.

Each party may change such address by notice to the other party.

30.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

### **31. TAXES AND DUTIES**
